Joe,

We have a couple of amendments that we need drafted as quickly as possible, as the executive session for the bill is tomorrow at 11:01. I apologize for the late notice, but they are pretty quick amendments. I listed them below. If you could call or e-mail me as soon as you get this I would appreciate it. Thanks.

1. P.2 Line 8 – change “may” to “shall”. After reading Steve’s point on the shall vs may, I agree with him. We can’t leave it open to delegate discretion and it appears that way right now. If someone steps outside of their authorization the delegates must take a vote on it. This still leaves some discretion because a majority need to vote in the affirmative.
2. Add clause to bill that all votes are governed by majority requirement. We want this clarified in the bill with specific language.
